

Dear Student:

There have been several issues around the infractions below that has caused some major concerns. As a result, I have initiated a point system that will help assuage these concerns and assist in ensuring that we are following the rules and regulations stated in the student handbook. Each student, that attends The Barack Obama Green Charter High School, will be given 15 points per academic year. Below is a chart highlighting the most common infractions and the point(s) associated with it. Monthly, students will be notified about their point status and parents will be notified when their student gets to an amount that will result in a loss of privilege.

Not in Uniform	1 point
Poor Behavior that leads to administrative detention/ suspension	3 points
Cutting Class	3 points
Inappropriate Cellphone/ Headphone	5 points

Below is a chart that highlights what school privileges will be revoked once a student reaches a certain number of points.
